

REMARKS

Applicants respectfully request entry of the foregoing and reexamination and reconsideration of the subject matter identified in caption, as amended, and in light of the remarks which follow.

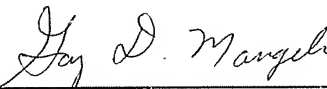

The specification had been amended to capitalize the name of each of these products, i.e. TOLONATE® HDT, TOLONATE® DB, TOLONATE® HDT HR and JONCRYL SC 922X. This amendment was made in response to the Office Action which noted that the use of trademarks should be capitalized and be accompanied by the generic terminology.

Applicants inadvertently did not include a marked up copy showing the amendments. The above amendments show the changes made to the specification and the amended specification is therefore compliant.

Respectfully submitted,

BUCHANAN INGERSOLL & ROONEY PC
